HH 19/5/49. Sri B. S. Narasinga Rao is a superannuated Officer who is granted extension of service. The period of extension granted to him expires on 7.11.49. He requests the grant of combined leave for five months with effect from 7.6.49.

As certified by the Audit Office, he is entitled to one month and 22 days' P.L. with effect from 7.6.49. The grant of leave to an Officer who has attained the age of superannuation and is retained in service beyond that age is regulated according to Art. 147 of M.S.R. Such an Officer is entitled to Privilege leave only, but to this may be added any other leave at the credit of the Officer provided the leave was ~~required~~ applied for and refused in the interests of the public service either before reaching the age of superannuation or during the period of extension.

It does not appear that in this case the requirements of the M. S. R. have been complied with and that the Officer is entitled to any leave except the P.L. at his credit Viz. 1 month and 22 days. If the Combined leave for 5 months applied for by the Officer is to be sanctioned, it will have to be done outside the rules as a special Case. There are precedents* for granting such requests if special circumstances exist. In this case, the Officer states that during the 32 years of service he has not availed himself of any leave earned during the period except for 2 or 3 months. The Audit Office have certified that on the date of his superannuation (7.11.47) Sir B.S. Narasinga Rao had Six months' Combined leave at his credit of which one month and 4 days was P.L. and the balance furlough on average salary. In these circumstances, it is for Consideration whether the leave applied for by the Officer may be sanctioned in full. This requires financial Concurrence, and as it has to be sanctioned as a special Case, would be Council matter.

The date from which the Officer asks for leave falls during

Narasinga Rao, Chief Engineer for Irrigation, attained the age of superannuation on 7.11.47. He was granted extension of service twice for the period of extension of service granted is for three months one year at a time. The present term of extension of service is due to expire on 6.11.49. Sri Narasinga Rao states that he has been all along employed in the works of magnitude undertaken in the last 30 years or so out of the way places where hard work was involved, including designs of intricate nature and that during the 32 years of his service he has not availed of the leave earned by him during this period, except for two or three months. In the circumstances he requests that he may be granted combined leave for five months with effect from 7th June 1949.

privilege leave only after that date and shall be allowed to add thereto any amount of leave which could have been granted to him under Art 147 (a) had he retired on that date. The total period which he may take on each occasion shall not exceed six months. There is nothing on record to show that he has been permitted to carry forward the leave that was at his credit on the date of his superannuation. He cannot therefore be given this leave now. It may be seen from the emphatic leave certificate that Sri. Narasinga Rao will be entitled to one month and 22 days privilege leave on 7.6.49. This is the amount of leave that may be granted to him.

Memo No. C.E. 514 dt. 9.5.49

Sri P.S. Narasinga Rao, Chief Engineer, has represented that he has been permitted to retire from 7.11.1949. He has requested that he may be granted five months' Combined leave from 7.6.49 preparatory to retirement as has been done in a few cases.

2. Sri P.S. Narasinga Rao had combined leave on full average salary for six months at his credit on 6.11.1947, but it lapsed as he attained the age of superannuation on that date. According to G.O.R. he has now at his credit only privilege leave for months and 22 days on 7.6.1949 earned during the period of extension. The F.C. Dear Sir,

I am in receipt of your letter dated the 7th May 1949 intimating that I am permitted to retire from service with effect from 7-11-1949.

I have been all along employed in all the works of magnitude undertaken in the last 30 years, in out-of-the-way places where hard work was involved, including designs of intricate nature.

I enclose herewith an application for combined leave for five months with effect from the 7th June 1949. In this connection, I may be permitted to state that during the 32 years of service I have not availed myself of the leave that I have earned during this period, except for 2 or 3 months. It is needless for me to state that the grant of such leave for officers of my status has not been unusual. I request that Government may be graciously pleased to sanction the combined leave and arrange for my relief on the date, namely, 7th June 1949.

DEWAN'S OFFICE 5 JUL 1949 No. 63

CHIEF SECRETARY 5 JUL 1949 GOVT. OF MYSORE

NOTE—Contn. Sheet.

Final Note by the Minister for Revenue and Public Works.

Subject.— Grant of leave to Sri B.S. Narasinga Rao, Chief Engineer for Irrigation in Mysore.

With the gracious approval of His Highness, Sri B.S. Narasinga Rao, Chief Engineer for Irrigation, has been permitted to retire from service with effect from 7-11-1949, on the expiry of the extension of service granted to him.

2. Sri Narasinga Rao has made a request that, in view of the fact that during the 32 years of his service, he has not availed himself of the leave that he had earned during this period except for two or three months, he may be granted combined leave for five months with effect from 7th June 1949.

A

3. Sri Narasinga Rao is a superannuated Officer who has been granted extension of service. Under the Mysore Service Regulations, such an Officer is entitled to privilege leave only. The amount of privilege leave at the credit of Sri Narasinga Rao is ascertained to be one month and 22 days. Nevertheless, the grant of special leave has been sanctioned in the case of some officers in the past and the Financial Secretary has stated that the blameless service of 32 years with two or three months' leave in it of this officer has to be treated with the same indulgence as some other special cases have been treated previously.

Para 5 of note

4. Taking these factors into consideration, I minuted as noted below on 31st May 1949 :-

> "On 23-5-1949, I have stated that Sri Narasinga Rao may be granted leave as per M.S.R. This Officer who has served the State for 32 years quite usefully may be shown concession as opined by the Financial Secretary himself on 16-5-1949. The Government may be pleased to grant him leave from 9th June 1949 itself with full pay till the date of retirement in view of his good and useful service for 32 years."

B

5. The question of granting the leave to Sri Narasinga Rao was considered at a meeting of the Council held on the 31st May 1949 when the following resolution was recorded :--

(Continued.

"In view of the special circumstances of the case, Sri B.S. Narasinga Rao may be given extraordinary leave on full pay till the day he is due to retire at the end of his period of extension. This will not serve as a precedent."

Dear Sir,

Re: My reliéf on 7-6-1949.

In continuation of my letters No.P.C.513 dated 9-5-1949 and No.P.C.531 dated 23-5-1949 regarding the above, I write to state that I have not received orders till this day, though there is hardly a week before the 7th June. I met the Minister for Revenue & Public Works on Saturday (28th) and explained to him that I have got to be away from Bangalore in connection with the marriages of my nieces and Upanayams of my nephews from the 10th June, as they have already been fixed, and the Minister was pleased to approve of my request that I may be permitted to hand over charge to Sri M. N. Lakshmana Rao, Chief Engineer for Roads & Buildings on the 9th afternoon at the latest, pending sanction to the leave. I therefore request you to communicate orders of Government immediately.

Yours sincerely,
Bnarasinga Rao

Sri K.Srinivasan,B.Sc.,
Chief Secretary to Government,
Bangalore.
